Hon. Commissioner of Patents & Trademarks

Washington, D.C. 20231

Sir:

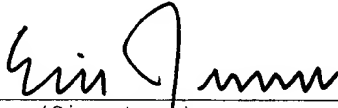

NEC Corporation of Tokyo, Japan, owner of 100 percent interest in the instant application, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 USC 154 to 156 and 173, as presently shortened by any Terminal Disclaimer, of co-pending Patent Appln. No. 09/739,236. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior co-pending patent application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 USC 154 to 156 and 173 of the prior patent, as presently shortened by any Terminal Disclaimer, in the event that it later:
